

An aerial photograph showing a large agricultural field with a distinct grid pattern of rows, likely a variety trial. The field is surrounded by other agricultural plots, some of which are green and others brown. In the background, there is a small village with several buildings and a church spire, situated at the base of a forested hill. The sky is blue with scattered white clouds. The text "Sortenversuche 2015" and "– essais variétaux 2015" is overlaid in white on the image.
